## Round #8 - Qualcomm - Southeast Course #4

Ninety-nine drivers made their way to Qualcomm Stadium on July 29th for the club race on the new Southeast Course #4. The two TaG classes combined their Main race for a grid of twenty-four karts. But the Granddaddy was the three combined Shifter classes of forty-three karts. Because of the number, we gridded the Shifters on the straight before turn #11...so they could all be on the same straight section of track for the standing start. Just about everyone in the pits watched the two Heats and Main races. It was quite a sight to watch forty-three shifters headed at speed into turn #11 at the start. Only in the Main was there contact of any consequence.

## SDKA Hosts the ProKart Challenge August 3-4 @ Qualcomm

Due to a schedule change, SDKA was given the opportunity to host Round #9 of the ProKart Challenge Series at Qualcomm August 3rd and 4th. With only a few weeks to organize, the SDKA leadership and a few willing members were able to get all the details worked out for the 2-day event.

A hearty "Thank You!" to Mike Nadeau, Jeff Shadoan, the Dorantes Family...Carlos, Carlos, Ozzy and Alex, Jerry and Janet Kaplan, and Bill Cox for their tireless help to set-up/teardown the track and return the cones/barriers to storage. Two unknowns, Non-Members, stepped up to help, too: Tom Walsh who was the Ring Road Guard all day Saturday...with the best seat to watch all the racing action; and Ray who helped collect and stack the cones.

Maria Dorantes brought her mobile catering business to the track to keep everyone well fed on Friday and Saturday. The whole Dorantes

Family was there to serve everyone. Thank you, Maria!

A special word of thanks to Geary and Cherrie Launder who kept the AMB Timing and Scoring System working. Twice the wire loop taped to the pavement at Start/Finish was pulled away because of the furious traffic...and dragging parts from karts. They were invaluable aids to the PKC Timing/Scoring Honcho, Greg Smith. Friday practice began at 9am and continued to just past 5pm without a let-up. The PKC drivers are a focused group who will spend every moment on track, testing and pushing the limits; getting ready for qualifying and race day.

Following practice, the PKC team treated everyone to the now-traditional and free tri-tip BBQ. Few things taste better than Tom Kutscher's tri-tip with his triple-secret marinade and sauce.

Saturday 109-Divers competed in the eleven PKC divisions; plus a

"Race What You Brung" Open class. That was a fun one to watch.

Following two rounds of practice at 9am, the Qualifying and Racing continued without a break until the final checkered flag just past 6:30pm. Two Heats, 8-laps each; Mains, a 20-lap afternoon drive.

Main Results:

- S1 - Fritz Leesman
