Round #9 - Apex Raceway...at Night!

60-drivers made the trek north to Perris for racing under the lights at Apex Raceway. When practice began the temperature had reached the zenith for the day...107°. After two rounds of practice, the temperature dropped to 104° for qualifying; 100° when the heat races began. It was a balmy 86° when the shifters ran their main; the final race of the evening. The high temperatures certainly had an impact on those not physically prepared!

An unscientific survey of those making the Apex race indicates most everyone wants to do more night racing at Apex; however, the preference is the spring or fall when afternoon temperatures aren't so high.

September Meeting Highlights

SDKA President Mike Nadeau called the meeting to order at 6:35pm.

The Apex night race was well attended with 60-drivers. Numbers dropped in the mains after the very hot afternoon. Perhaps we can schedule night races in the spring and fall next year to avoid the summer heat.

Frank Powell's Treasurer Report shows the club is doing okay financially.

Corner workers will be needed at the September 16th, Qualcomm race. Greg to post an announcement on the web site;

Mike to mention during the drivers meeting.

There was a discussion about revamping the SDKA web site.

The fundraising endurance race was an interesting experience for Geary and Nick Launder, Cole Dick and Bill Cox at Miramar Speed Circuit on Sunday evening, September 2nd. It was for a good cause.

Alex King will have one of the Rotax DD2 class karts at the September 16th and 30th races. He would like to generate enough interest in the Rotax "Shifter" package; hoping to make

it an SDKA Championship Class in 2008.

Proposed *By-Laws & Policies* were read into the record and discussed.

September 30th Race at Moran. We will race in the backwards direction.

Meeting adjourned at 7:40pm.

2008 By-Laws & Policies: If you have any proposed changes, they must be submitted in writing to a Board Member. These will be read and discussed at the September and October meetings; voted on, without further discussion, at the November meeting.

General / Board Meetings:

- 2nd **Wednesday** of each month
- Coco's Restaurant
5955 Balboa Avenue
- 6:30pm
